### **2.3 If there is more than one applicant, how is property to be divided?**

The Applicant proposes to construct the Gilbert Street Mixed-Use Building on its adjacent properties. The proposed Gilbert Street Mixed-Use Building, consisting of approximately 250,000 square feet of gross floor area, will replace two existing buildings located at 211 Prices Fork Road and 400 Turner Street with an iconic, mixed-use building designed to LEED Silver standards and located at the entrance to downtown serving as a flagship for retail, restaurant and office commercial buildings in Downtown Blacksburg. The design of the building, proximity to Turner Street and Gilbert Street for pedestrian

access and first floor retail and restaurant with outdoor patio areas, will foster a predominate pedestrian access, focusing on both bicycle and pedestrian users.

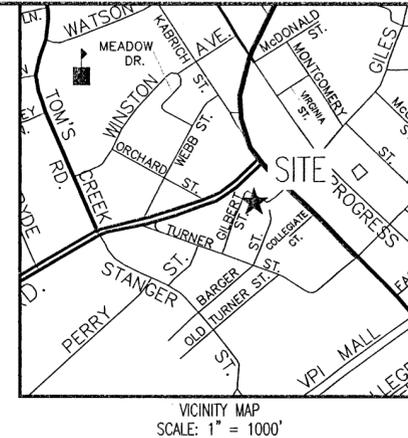

In exchange for the proposed vacation, the Applicant proposes to dedicate to the Town of Blacksburg an equal square footage of property identified as "AREA TO BE DEDICATED TO TOWN OF BLACKSBURG (4,085 SF)" as shown on the BLA Exhibit. The area to be dedicated to the Town is adjacent to St. Luke and Odd Fellows Hall.
